**Approved Minutes of 45<sup>th</sup> Meeting of Council of Association of CPPRI  
held on 23.02.2016**

Item No. 45.6

**45.6 Approval for New/Revised Testing Charges**

The Council approved the proposal of higher testing charges for urgent sample, but reduced the proposed enhancement amount to "2 times the actual charges" in place of "three times".

Further, the Council approved the new/revised testing charges as proposed. The Council also approved 25% discount to the member mills. Further the Council decided that CPPRI should use its resources in its core functions like promotion of research and scientific work and provide technical support to the pulp and paper industry and discontinue the paper testing services against tenders offered to government organizations/ agencies.

The Council also accorded the approval for the proposed charges of training of students.
