

SWACHH BHARAT MISSION INITIATIVES

Central Pulp and Paper Research Institute has initiated following activities under “**Swachh Bharat Mission**” in its premises.

➤ **Constitution of Swachh Bharat Abhiyan Committee:**

A Swachh Bharat Abhiyan Committee comprising of scientific and administrative staffs has been constituted to identify the areas for implementation of cleanliness drive and monitor the progress of Swachhta Abhiyan in the Institute premises.

➤ **Segregation of wastes:**

All divisions of institute have been advised to segregate E-waste (old computers/printers/cartridge/UPS etc.)/non-working Equipment's/scrap in the laboratory/ old files/ waste paper/ documents etc. latest by **December 15, 2016** to facilitate their auction/ safe disposal.

➤ **Talks with NGO:**

Several NGOs are being approached/consulted to assist in of formulation a scientific approach for garbage collection and its further processing / recycling. In this perspective meeting with a NGO was also organised and administrative measures in this regard has been initiated.

➤ **Cleanliness drive:**

A dedicated horticulture division is already set up by institute to maintain the landscape lawn and plants in institute and residential colony premises. A cleanliness drive in the Institute campus and residential colony on the regular basis is being carried out by the horticulture section. Photographs of various activities conducted are attached.

The warning notice erected near CPPRI boundary to prevent dumping of garbage/waste

The maintenance of lush green CPPRI landscape by horticulture division

➤ **Future Plan:**

1. Awareness/motivational campaign for CPPRI employees and their families to actively participate and contribute to Swachh Bharat initiatives.

2. Special drives planned to clean;
 - ✓ Institute premises
 - ✓ Laboratories
 - ✓ Pilot plant building
 - ✓ Bank area
 - ✓ Residential colony & Guest house

3. Constitution of a committee for:
 - ✓ Disposal of E-waste
 - ✓ Disposal of scrap materials
 - ✓ Setting up of a segregated house hold waste, plastic waste and waste paper collection and disposal system
